Influenza Prescription
Here from Scotland

Explains How to Kill Germs

Probably the best and quickest way to destroy the pernicious germs of influenza which during an epidemic are everywhere present, is to breathe through nose and mouth deep into the lungs, air made antiseptic by a Scotch formula which druggists call Haelanol. Haelanol mixes with the air you breathe and makes it powerfully antiseptic.

Because it is so very pleasant there are many ways to use it—pour a few drops on handkerchief and hold it to your nose several times a day as you breathe. A multitude of people breathe the vapor that arises after a few drops have been poured into a bowl of boiling water.

Many say the best way is to pour some Haelanol on your pillow and while you sleep, breathe antiseptic air the whole night long—a little folder that comes with each bottle, tells of many clever ways to breathe Haelanol and destroys the germs. Fairmont Pharmacy dispenses it.

Hog Island.

Hog Island was a swamp of waste land when the great war came. The name has been attached to it since early days when it was occupied by Indians, but the exact reason for its name is obscure.

Sure
Death
to
Corns

"Get-It" Makes 'Em Lose Their Grip and Lift Off Painlessly.

The first thing "Get-It" does when it lands on a corn or callus is to snuff out the pain. Then it shrivels the corn or callus and loosens it.

Soon, it is almost ready to fall off. You help it just a little by lifting it off with your thumb and finger. You don't even feel it, because there is no hurt left in it. Millions have proved it the cleanest, surest, safest and most pleasant method.

"Get-It," the never failing, guaranteed money-back corn remover costs but a trifle at any drug store. Mfg. by E. Lawrence & Co., Chicago.

Sold in Fairmont and recommended as the world's best corn remedy by Martin's Drug Store, Crane's Drug Store, Fairmont Pharmacy, H-H Drug Co., Hall Store.

FRECKLES

March Brings Out Unsightly Spots. How to Remove Easily.

The woman with tender skin dreads March because it is likely to cover her face with ugly freckles. No matter how thick they ravel, the sun and winds have a strong tendency to make her freckle.

Fortunately for her peace of mind, Othine—double strength, makes it possible for even those most susceptible to freckles to keep their skin clear and white. No matter how stubborn a case of freckles you have, the double strength Othine should remove them. Get an ounce from your druggist and banish the freckles. Money back if it fails.

Karo

In the blue can.

Jams, Jellies, Preserves are Too High—**Blue Label Karo** Solves the "Sweet" Problem at Less Cost. Important to Large Families

THE mother of a large family cannot help being worried over the extremely high prices of jams, jellies, preserves—and candy. In children especially Nature emphasizes her demand for sweets. We all need a good percentage of sweets each day.

This is the reason for the unusual present demand for **Blue Label Karo**—the Great American Sweet for every purpose.

INSTEAD of worrying about and paying high prices for store candy, make Karo Candy at home. It is easy to make, costs but little and its purity makes it best for children.

There is an every day use for **Blue Label Karo**. From breakfast—on pancakes or waffles—to dinner for cooking and baking.

NOTICE

Because you will find so many economical ways to use **Blue Label Karo** it will pay you to try it by the can, as others are doing. Ask your grocer the price.
